

A dental student with dark hair tied back, wearing a white lab coat, clear safety glasses, and blue nitrile gloves, is focused on working on a dental model. She is using a dental handpiece. A blue lanyard with the word 'INVESTIN' is visible around her neck. The background is a clinical setting with various dental equipment.

INVESTIN

THE
DENTIST
SUMMER EXPERIENCE

Ages 15-18
London | UCL Campus

DENTISTRY

Over the course of 2 weeks, you will step into the shoes of a dentist through a range of immersive career simulations and exclusive professional site visits.

Have the unique opportunity to gain a practical understanding of the role of a dentist. Develop your knowledge of patient care, diagnosis and treatment, whilst building clinical and dexterity skills in a professional dental environment.

“My highlight was visiting the university hospital and work on composite fillings on phantom heads. I also loved getting to understand the more psychological aspects of dentistry and practise patient interactions in the virtual reality simulations.”

Student, the Young Dentist
Summer Experience 2023

“I definitely feel more prepared to go into dental interviews and apply for dental school, but also going into the career world. We've had so many opportunities to network with other dentists, and learning about their past experience definitely inspired and motivated me to do well in dental school”

Student, the Young Dentist
Summer Experience 2025
