TV & FILM

Over the course of 2 weeks, you will step into the shoes of a TV and filmmaker through a range of immersive career simulations and exclusive professional site visits.

Have the unique opportunity to bring a film or TV production to life, developing your skills in writing, directing, filming and editing along the way. Using professional camera equipment, create your own short film or TV episode, before seeing your finished creation on the big screen at your very own premiere.

“My highlight was production and directing, they were so interactive and the teaching was very good too. The production especially was so fun and using the equipment was great. It’s very interactive in general and you feel very free to express your creativity and ideas.”

Student, the Young TV & Filmmaker Summer Experience 2025

“I loved it! My highlights were getting to shoot my first scene, working with the equipment, learning about sound design and cinematography. Everything has been a new and awesome experience.”
