SUMMER EXPERIENCE
Ages 15-18
London | UCL Campus

VETERINARY SCIENCE

Over the course of 2 weeks, you will step into the shoes of a vet through a range of immersive career simulations and exclusive professional site visits.

Have the unique opportunity to explore the different pathways within veterinary medicine, gaining hands-on experience across a range of working environments. Conduct simulated consultations and examinations, diagnose animal cases and get to perform surgical procedures on dummy animals.

"One of the best things I've ever done - the Young Vet Summer Experience was really helpful, engaging and fun. I would really recommend it if you're looking for help with getting into vet school."

Student, the Young Vet Summer Experience 2023

"This experience has helped me so much, not only to put on my personal statement, but I've just gained so much knowledge from the whole trip. It's really secured my passion in veterinary and proved to me it's exactly what I want to do with my future."
